ALUMNI FEEDBACK FORM

The purpose of this feedback is to obtain alumni input on the quality of education they received and the level of preparation they had at the college and to assess the quality of the academic program. This questionnaire is intended to collect information relating to your satisfaction towards the curriculum, teaching, learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement of the program of studies/institution.

Please indicate your level of satisfaction with the following statement by choosing the given options

1. Full Name : Lavanya. M.G.
2. Program Studied : CSE
3. USN Number : 4A117CS047
4. Department Name : Computer Science & Engineering
5. Period of Study (Eg. 2018-2021) : 2017 - 2021
6. E-Mail I.D. : lavanyamg12@gmail.com
7. Mobile no. : 9972694328
8. Employment Details : DXC technology

Please indicate your level of satisfaction with the following statement by choosing the given options

Respected Sir,

Subject: Requisition to provide another wash Room for boys in the department

Through HOD-CS&E

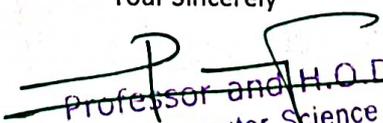

With all the due respect, we are the students of 8th semester CS&E wants to bring to your kind notice regarding the problems faced by us with respect to the washroom.

There is only one wash room for boys (with 3 urinals) in the department of CS&E and the number of people using it are quite large as ours is a 120 intake branch.

We kindly request you to consider our request and enhance the no. of. Wash rooms and provide us with hygiene and healthy environment for perusing our academics

Thanking you

Your Sincerely

Action Taken Report

Background:

Students of 8th semester, department of Computer Science and Engineering submitted their grievance for separate wash room for boys.

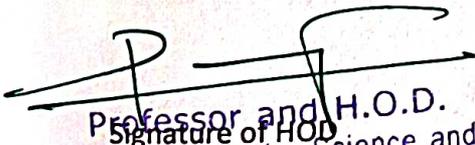

There is only one wash room for boys (with 3 urinals) in the department of CS&E and the number of people using it are quite large as ours is a 120 intake branch.

Action taken:

The grievance submitted by the 8th semester students are genuine and needs immediate attention regarding enhancement of no. of washrooms. The management will take steps to increase the no. of wash rooms in accordance with the total no. of students and provide healthy and hygiene environment for pursuing academics.

Outcome:

By providing another wash room for boys, they can have healthy and hygiene environment.

Action Taken Report

Background:

Students of 5th semester, department of Computer Science and Engineering submitted their grievance to enhance drinking water points in the department.

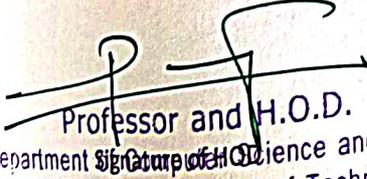

Since department has more students and all students cannot be able to use one water point. The impact of this has lead students to wait more time to drink water and lead to uncomfortable situation.

Action taken:

The higher authority has noticed the grievance submitted by 5th sem students with respect to drinking water points. More RO drinking water points will be installed in the department to provide adequate drinking water facility

Outcome:

By installing more RO water points, students cannot wait more time to drink water.
