

SHE EMPOWERS
R K WORLD, INC. AUSTIN, TEXAS (U.S.)

Service Agreement

This Service Agreement is made and entered into on May 29th, 2022 between **R K World, Inc** which is based in Austin, Texas, USA which is the maker of **StreeCook** AND **Adichunchanagiri Institute of Technology (AIT), Chikkamagaluru** which educates students as an educational institution.

R K World, Inc and Department of Computer Science and Engineering, **Adichunchanagiri Institute of Technology, Chikkamagaluru** have decided to work together in providing engineering internship opportunities to the students of Department of Computer Science and Engineering, **Adichunchanagiri Institute of Technology, Chikkamagaluru**. The internship opportunities will be provided to the students who are selected in the interviews conducted by **R K World, Inc**.

Engineering internships will enable Engineering students to support **StreeCook's** mobile applications & internal applications. Engineering students will get hands on training & experience on iPhone application development, Android Application development, support Amazon web services (AWS) backend development using Java and on building various internal application features using JSP technology.

Both the parties intended to record the terms and conditions of the Service in writing and have agreed as follows:

- NP
1. Internship will be for a total of 6 months with an expectation that interns will be putting up a minimum of 15 hrs. and up-to 20 hrs. in a given week towards their assigned roles. Internship period may be shortened to 4 months on a case-by-case basis if an intern is outperforming in his /her internship so that they may be offered full time role sooner than 6 months.

2. Although Internship will be unpaid but we at **R K World, Inc** believe interns will be gaining a wealth of knowledge and will be industry & job ready at the end of their internships. The team at **R K World, Inc.** will be investing time, money & efforts in making it the best internship experience possible for its interns.
3. **R K World, Inc** expects students to have the appropriate computer equipment and basic internet needed to perform their duties. On a case-by-case basis, based on the needs of an assigned role, **R K World, Inc** will offer support for incremental internet service reimbursement (up-to 300 Rs per month per intern). Some customer facing roles may require the need for interns to have USA based phone numbers in which case **R K World, Inc** will be providing access to such phone numbers for the period of internship.
4. All interns will be provided internship letters and reference letters at the end of their internship.
5. Based on intern's performance throughout the internship period & company performance, **R K World, Inc** may offer full time position at the end of internship. Whether internship will convert to full time offer or not will solely be **R K World, Inc's** decision.
6. If an intern for unforeseen reason wants to leave internship before the completion, they can do so by providing 30 days of notice. Any intern who leaves internship without completing will not get internship /reference letter. However, **R K world, Inc** may make an exception on a case-by-case basis to provide internship/reference letters to an intern who has not completed internship depending upon how long they have done the internship and what contributions they have made.
7. All interns must sign a Non-Disclosure Agreement (NDA) shared by **R K world, Inc** and respect it through the period of internship and afterwards as stated in the NDA.

In witness whereof the parties hereto have hereunto set their hands and seals the day and year first above – written
