

**SHE EMPOWERS**  
R K WORLD, INC. AUSTIN, TEXAS (U.S.)

---

**Service Agreement**

This Service Agreement is made and entered into on May 29th, 2022, between

R K World, Inc which is based in Austin, Texas, USA which is the maker of StreeCook

AND Adichunchanagiri Institute of Technology (AIT), Chikkamagaluru which

educates students as an educational institution

R K World, Inc and AIT, CHIKKAMAGALURU have decided to work together in providing

Business & engineering internship opportunities to the students of AIT, CHIKKAMAGALURU. The

internship opportunities will be provided to the students who are selected in the interviews conducted by R K World, Inc.

Business internships will enable MBA students from AIT to learn & apply business skills in marketing & operations. The selected MBA students for business internship will support growth & expansion of R K World, Inc's StreeCook which is America's only vegetarian & vegan online marketplace for homemade food.

Engineering internships will enable Engineering students to support StreeCook's mobile applications & internal applications. Engineering students will get hands on training & experience on iPhone application development, Android Application development, support Amazon web services (aws) backend development using Java and on building various internal application features using JSP technology.

Both the parties intended to record the terms and conditions of the Service in writing and have agreed as follows:

1. Internship will be for a total of 6 months with an expectation that interns will be putting up a minimum of 15 hrs. and up-to 20 hrs. in a given week towards their assigned roles. Internship period may be shortened to 4 months on a case-by-case basis if an intern is outperforming in his /her internship so that they may be offered full time role sooner than 6 months.
2. Although Internship will be unpaid but we at R K World, Inc believe interns will be gaining a wealth of knowledge and will be industry & job ready at the end of their internships. The team at R K World, Inc will be investing time, money & efforts in making it the best internship experience possible for its interns.
3. R K World, Inc expects students to have appropriate computer equipment and basic internet needed to perform their duties. On a case-by-case basis, based on needs of an assigned role R K

**SHE EMPOWERS**  
R K WORLD, INC. AUSTIN, TEXAS (U.S.)

World, Inc will offer support for incremental internet service reimbursement (up-to 300 Rs per month per intern). Some customer facing roles may require the need for interns to have USA based phone numbers in which case R K World, Inc will be providing the access to such phone numbers for the period of internship.

4. All interns will be provided internship letters and reference letters at the end of their internship.

5. Based on intern's performance throughout the internship period & company performance, R K World, Inc may offer full time position at the end of internship. Whether internship will convert to full time offer or not will solely be R K World, Inc's decision.

6. If an intern for unforeseen reason wants to leave internship before the completion, they can do so, by providing 30 days of notice. Any intern who leaves internship without completing will not get internship /reference letter. However, R K world, Inc may make an exception on a case-by-case basis to provide internship/reference letters to an intern who has not completed internship depending upon how long they have done the internship and what contributions they have made.

7. All interns must sign Non-Disclosure Agreement (NDA) shared by R K world, Inc and respect it through the period of internship and afterwards as stated in the NDA.

In witness whereof the parties hereto have hereunto set their hands and seals the day and year first above – written

Hello Professor Ravi.

I'm Sujata Bajpai, Head of Operations & Recruitment at R.K.World Inc.

I was in the interview panel with Meha Tiwari, Founder & CEO; and Umesh Tiwari, Co-Founder at R.K. World Inc.

We are very thankful for all your support in successfully conducting the interviews as per the schedule.

We are excited to offer internships to your selected students at our Startup. Please find the details below to share with the students:

Congratulations to all of you for being selected for the respective roles at R.K World, Inc which is proud to be the owner of StreeCook, America's(USA) first on-demand Vegan & Vegetarian online Platform!

We are looking for ideal fits for the open internship positions and after thorough evaluation we have assigned different roles to each of you. However we need candidates to be flexible as each of these roles have overlaps in the roles and responsibilities and we expect that you get to perform many roles as you execute your responsibilities.

This will be an unpaid 6 month internship starting May 23rd and you will be expected to contribute a minimum of 15hrs in a week. Your internship performance will be assessed quarterly and there might be an opportunity for the internship to convert to a full time position given yours and company's performance at the end of your internship.

As we are a US based startup, we will expect you to be flexible with internship work timings and also be accommodative of the timezone.

Please find the roles assigned to each of the selected interns:

- 1) Suhaib Ahmed - Marketing(Customer) & Customer Relationship Analyst Intern
- 2) Lasyashree - Marketing(Customer) & Customer Relationship Analyst Intern
