Technical Talk – Grid Management

Organized by

Department of Electrical & Electronics Engineering

Resource Person: Mr. Vijay Kumar, AE KPTCL,

Mugulavalli substation

A technical talk was conducted on 19th May, 2022. The aim of the technical talk was to brief about Grid management. The talk was delivered by Mr. Vijay Kumar, A.E, KPTCL, Mugulavalli substation. Grid Management System (GMS) is a system of which provides a comprehensive grid management solution to address an increasingly complex distribution environment. It replaces the existing Outage Management System (OMS) and the obsolete legacy Distribution management System (DMS)

Technical talk delivered by Mr.Vijay Kumar

Participants present at the technical talk

Outcome of the technical talk

Students have shown lot of interests in the technical talk as they got practical knowledge of the Grid Management from the resource person. Feedback forms were collected. A positive feedback regarding the same was received.
