

**2020-21**

## **CELEBRATION OF BIO FUEL DAY**

### **INAUGURATION WORLD BIO-FUEL DAY:-**

On 10<sup>th</sup> of August District Bio-Energy Research, Information and Demonstration Centre, Chikamgluru have Celebrated “INTERNATIONAL BIO-FUEL DAY’ in A.I.T Campus. For this programme, we have invited honorable principal as a chief- guest, then all staffs of mechanical engineering department.

1. Inauguration of International Bio-fuel day

2. Nurturing the plant

## Environmental Day Celebration:

Bio-Fuel Research Information and Demonstration Centre ,Chikkamagalur have celebrated the World Environmental Day on 5/6/2020 .On this occasion Dr.C.T Jayadeva principal of the college, Registrar, RFO of forest Dept, Chikkamagluru, Mr. Suchith Kumar Coordinator of District I & D Centre , and All Faculty members of AIT College and college Students were present .

3. Inauguration of World Environmental Day Programme

4. Group photo of the coordinators

## PLANTING OF HONGE AND MADHUKA SEEDLINGS

### TRAINING PROGRAMME

On 20<sup>th</sup> March 2021 District Bio-Energy Research Information and Demonstration center, chikamagaluru have conducted training programme on “ Biodiesel and its Application” for over 40-45 final year polytechnic students of AIT college.

Mr.Suchith Kumar M.T Co-coordinator and Project Assistant have Demonstrated the “Process involved in the Production of Bio-diesel” .students have gain knowledge about Bio-diesel and programme ended with good interaction.

5. Students attending the function

6. Students visited to the Bio-diesel Production centre

## PEOPLE VISIT TO CENTRE

7. Coordinator Explaining the lab

8. Chairman Visit to BRIDC centre

9. Coordinator Explaining the lab

10. Honorable Chairman visit to Bio-fuel centre on 01-05-2021.

11. Ministry of Industry and commerce have visited centre GOK on 15-10-2021

12. Coordinator Explaining the lab

**SOME AWARENESS PROGRAMME PHOTOS:-**

13. Awareness Programme in Ketumarnahalli

14. Awareness Programme in Lingadalli

Year 2021-22

## CELEBRATION OF BIO FUEL DAY

### INAUGURATION WORLD BIO-FUEL DAY:-

On 14<sup>th</sup> of August 2021 District Bio-Energy Research, Information and Demonstration Centre ,Chikamgluru have Celebrated “INTERNATIONAL BIO-FUEL DAY ’ in IDSG College Campus For this programme, we have invited DR, Natraj S.E principal of the institute as a chief- guest DR,Makariii HOD of the BT dept , staffs of Bio-Technology department and degree students of IDSG college were gathered in this movement.

15. Inauguration of International Bio-fuel day

## TRAINING PROGRAMME

On 03rd<sup>March</sup> 2022 District Bio-Energy Research Information and Demonstration center, chikamagaluru have conducted training programme on **“Usage of Bio-Fuel as an Alternate Fuel Energy Resources”** for over 55-60 second year AIBM Environmental students.

Mr.Suchith Kumar M.T Co-coordinator and Project Assistant have Demonstrated the “Process involved in the Production of Bio-diesel [Trans-esterification Process]”.students have gain knowledge about Bio-diesel and programme ended with good interaction.

16. Coordinator delivering the talk

17. Coordinator delivering the talk

18. Students listening in the training programme

## PEOPLE VISIT TO CENTRE

19. Visit into KCTU sanctioned R & D Centre

20. Managing Director K.R Rudrappa KGS Visit into BRIDC centre, Chikkamagluru on 04-02-2022

## Internship Programme For Final Year Students:-

District BRIDC have conducted an Internship programme for students of AIT college , it is an programme organized voluntarily by the students, here 12 students were actively participated by visiting the village of the district by providing the awareness to the local farmers ,By producing the Bio-Diesel from the seeds, Bio-diesel performance checking and analyzing the parameter.

21. Students Internship programme

22. Internship students producing the Bio-diesel from the Honge Seeds

23. Creating the awareness to peoples from the students

24. Internship Students Giving Awareness to Village farmers

25. Awareness programme for Heregouja Gram Panchayath PDO and Staffs

Awareness programme:-

26. Awareness programme for Nalanda school 10th standard students

27. Awareness programme in Mudgeri High school

28. Awareness programme in saraswathipura village

29. Awareness programme in Allampuara village

30. Awareness Programme St, norbet PU college

Year 2019-20

## CELEBRATION OF BIO FUEL DAY

### INAUGURATION WORLD BIO-FUEL DAY:-

On 31<sup>th</sup> of August District Bio-Energy Research, Information and Demonstration Centre ,Chikamgluru have Celebrated “INTERNATIONAL BIO-FUEL DAY ’ in A.I.T Campus .For this programme, we have invited honorable principal as a chief- guest then all staffs of mechanical engineering department and also about one fifty our college engineering students were gathered in this programme.

31. Giving Speech about International Bio-fuel

32. Giving Speech about International Bio-fuel

Mr.Suchith Kumar M.T Coordinator of District BRIDC , have given technical talk on importance of bio fuel in future days ,decrease in pollution rate from vehicle by using bio diesel and role of rural farmers .In this session 150 students have gained power of knowledge about the bio-Fuel .

### **Environmental Day Celebration:**

Bio-Fuel Research Information and Demonstration Centre ,Chikkamagalur have celebrated the World Environmental Day on 5/6/2019 .On this occasion Dr .C.T Jayadeva principal of the college , RFO of forest Dept, Chikkamagluru , Mr. Suchith Kumar Coordinator of District I & D Centre , and All Faculty members of AIT College and college Students were present .

33. Inauguration of World Environmental Day Program

34. Inauguration of World Environmental Day Program

## PLANTING OF HONGE AND NEEM SEEDLINGS

### TRAINING PROGRAMME

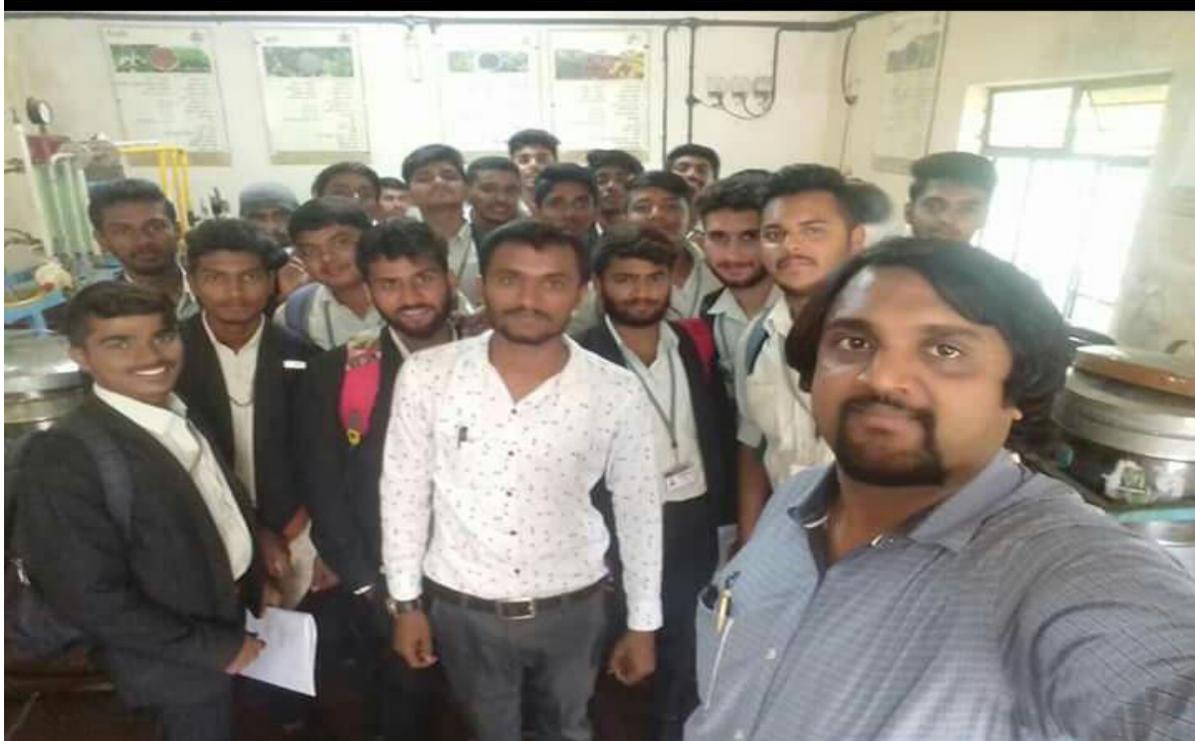

On 22<sup>nd</sup> July 2019 District Bio-Energy Research Information and Demonstration centre , chikamagaluru have conducted training programme on “ Biodiesel and its Application” for over 40-45 final year BBA & Bcom students of AIBM college .

Mr.Suchith Kumar M.T Co-ordinator and Project Assistant have Demonstrated the “Process involved in the Production of Bio-diesel” .students have gain knowledge about Bio-diesel and programme ended with good interaction.

35.

Students visited to the Bio-diesel Production centre

36. Demonstrating the process of Bio-diesel Production

**SOME AWARENESS PROGRAMME PHOTOS:-**

37. Awareness in Rampura Village

38. Awareness programme in Beeknahalli

39. Awareness in Indavara

40. Awareness in S.K Patna Village

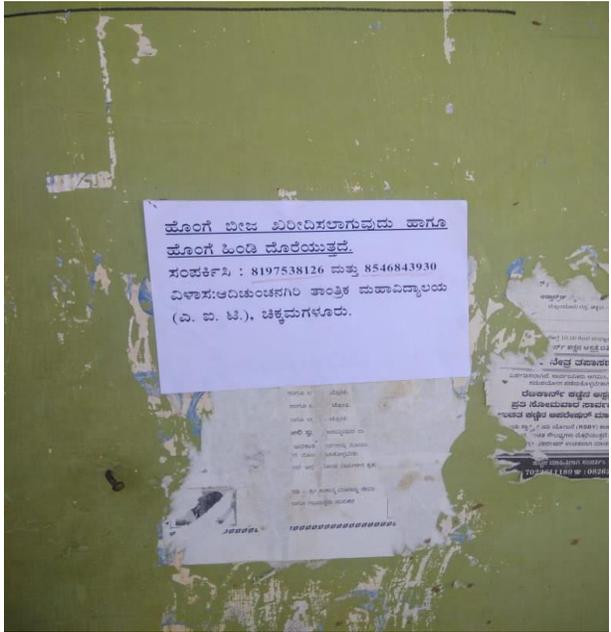

41. Awareness in Saraswathipura

42. Awareness in Sagnipura Village

43. Awareness programme in Lingadalli

Year 2018-19

## **CELEBRATION OF BIO FUEL DAY**

### **INAUGURATION WORLD BIO-FUEL DAY:-**

On 10<sup>th</sup> of August District Bio-Energy Research, Information and Demonstration Centre ,Chikamgluru have Celebrated “INTERNATIONAL BIO-FUEL DAY ’ in A.I.T College .For this programme, we have invited Smt, Satyabhama CEO ZP , Dr. C.T Jayadeva principal of AIT college and Dr. Balakrishne Gowda Rtd.proffessor GKVK Bangaluru as chief guest for this programme, gracious presence Dr. Satyanarayanna HOD of mechanical engineering , R.V Hedge DFO of Social Forestry, Devaraj DDPU of Chikamagluru , IREP Eng.,Chikamagluru and Principal of B.G.S PU college as guest for the programme about 300-350 students of various school and colleges like., BGS high school , independent PU college and IDSG Degree college Students were present.

44. INAUGURATION OF WORLD BIO-FUEL DAY

45. CHIEF GUEST FOR THE BIO-FUEL DAY CELEBRATION

46. CO-ORDINATOR MR. SUCHITH KUMAR M.T GIVING WELCOME SPEECH

Dr., Balakrishne Gowda have given technical talk on importance of bio fuel in future days ,decrease in pollution rate from vehicle by using bio diesel and given importance of role of

rural farmers and their interaction with the centre and seminar talk gets ended by clearing the doubts of students In this session 300-350 students have gain power of knowledge about the bio-Fuel for about 30-45 minute .

47. DR., BALAKRISNE GOWDA GIVING SPEECH ABOUT ALTERNATE ENERGY RESOURCE

**SEED BALL PREPARATION AND THROWING ACTIVITY:-** After the completion of technical session we planned for seed ball preparation, here we prepared the seed ball with suitable compost soil by using soil, sand and cattle dung in a suitable proportion for preparation detail about seed ball. The seed ball were prepared and placed in a waste barren land for germination of seedlings.

48. STUDENTS WERE ACTIVELY INVOLVED IN SEED BALL THROWING

## **Environmental Day Celebration:**

Bio-Fuel Research Information and Demonstration Centre, Chikkamagalur have celebrated The World Environmental Day on 5/6/2018. On this occasion Principal Dr .C.T Jayadeva, Chikkamagalur MLA C.T Ravi, Coordinator of District I & D Centre Mr. Suchith Kumar Faculty members of AIT College and Students were present.

49. Inauguration of World Environmental Day Program

50. MLA was giving a speech about Environmental Day

51. Planting of Honge And Simarouba seedlings

## PEOPLE VISIT

### CHAIRMAN VISIT :-

Honorable Chair man of K.S.B.D.B Board has visited our District BRIDC on 19-07-2018, and meeting were conducted with zilla panchayath Ceo, Drfo, Acfo on behalves of activities of I & D centre, total coverage bio-fuel plantation in a district.

52. CHAIRMAN VISIT TO OUR BRIDC CENTRE

## LIC COMMITTEE VISIT :-

On 08/01/19 Local Inspection Committee have visited the centre to check out the documents of institutional management , along with the committee, HOD, Co-ordinator of BRIDC and Staff members of Mechanical Dept were also visited the centre.

53. LOCAL INSPECTION COMMITTEE VISIT TO OUR BRIDC CENTRE

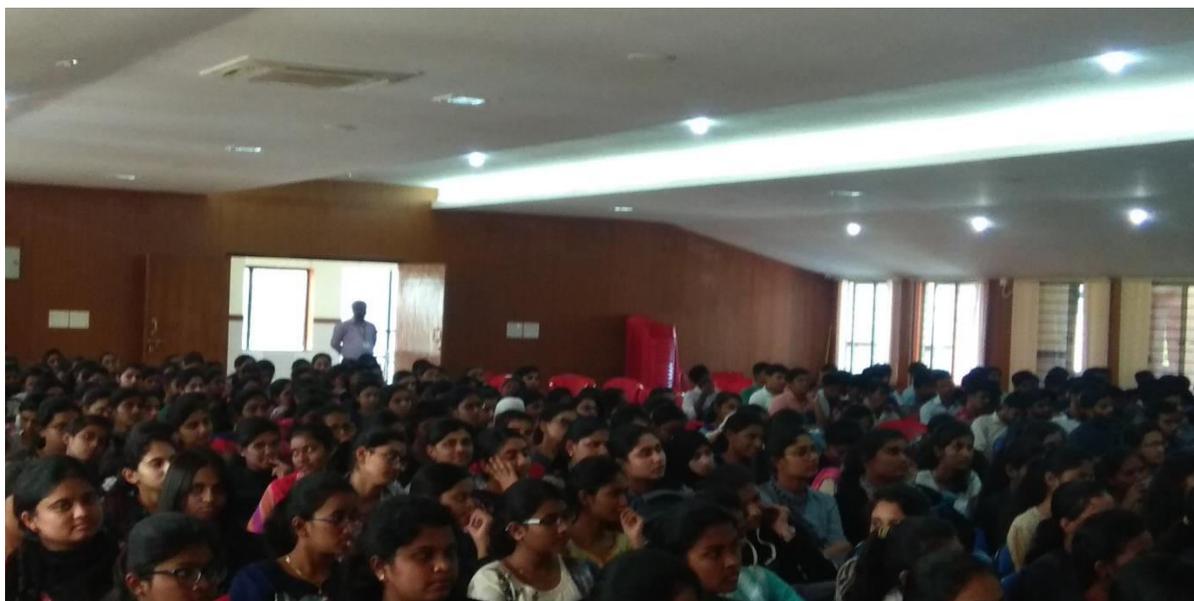

## SEMINAR PROGRAMME

On 29<sup>th</sup> August 2018, District Bio-Energy Research Information and Demonstration centre , chikamagaluru have conducted technical talk on “Biodiesel and its Application” for over 600 students in BGS seminar hall, AIT campus.

Mr.Suchith Kumar M.T have given a technical talk about the Renewable energy resources particularly on ‘BIODIESEL AND ITS APPLICATION’. Students have gain the knowledge about the Bio-fuel and programme gets ended with good interaction.

54. Co-Ordinator giving a speech about the Bio-Fuel

55. Students attending the function

## TRAINING PROGRAMME

On 30<sup>th</sup> October 2018 District Bio-Energy Research Information and Demonstration centre , chikamagaluru have conducted training programme on ‘‘Method Biodiesel and its Application’’ for over 40-45 final year polytechnic students .

Mr.Suchith Kumar M.T Co-ordinator , Project Assistant have Demonstrated the ‘‘Process involved in Production of Bio-diesel’’ .students have gain knowledge about Bio-diesel and programme gets ended with good interaction.

56. Co-ordinator demonstrating the process of Bio-diesel Production

POLYTECHNIC STUDENTS VISIT TO THE CENTRE
