Respected Sir

Subject: Request to provide me AIT hostels waste food.

With respect to the above mentioned subject, I am Mr Elliah residing at the above mentioned address. I need hostel waste food which is considered as waste garbage in your campus. The waste food will be used for piggery. I wish to collect it for next coming five years. Hence in this regard I request you to provide me the same. If you do so I will be very grateful to you.

Thanking you

Yours sincerely

Degradable and non-degradable waste management

To achieve a healthy and favourable environment on campus, Adichunchanagiri Institute of Technology strictly follow the waste segregation by employing dry and wet waste bins throughout the campus. Dry degradable waste generated from trees is sent to composting area of our campus. Wet waste from waste bins and canteen will be managed with the help of Municipal Corporation vehicle. Waste food (waste garbage) produced from boys old hostel, boys new hostel and girls hostel are considered as waste garbage. Every day this waste foods are collected by some authored person and it is used for piggeries.
