## Action Plan for Sustainable Waste Management

The following were the recommendations made by External Audit agency, Nature Science Foundation towards waste management,

- A proper step may be taken to minimize the environmental degradation by means of— developing 'Sanitation and hygiene policy', 'Waste management policy', 'Green campus and Environment policy', 'Energy policy' and 'Purchase policy' in collaboration with Governmental and Non-Governmental Organizations.
- Helpline numbers for waste collection may be made available in the Campus which— may be useful for door-to-door collection of wastes thus avoiding improper disposal by individuals.
- The concept of eco-friendly culture and sensitize the students to minimize the use of— plastics, non-biodegradable materials and exploitation of natural resources which pose the environmental hazards may be carried out.
- Waste disposal management for both dry and wet wastes should be proper in which— from collection to disposal of the waste, together with monitoring and regulation of the same may be undertaken. Attempts may be made to segregate the wastes and to convert organic wastes into fertilizing material through recycling and composting processes which may be used for vegetation purpose.
- Students may be taken to some industrial areas including the waste management— sites to teach about the recycling of wastewaters, solid wastes, natural ecosystem, pollution-free environment and environmental education.

Action Plan for the above recommendations,

- In view of the Government of India's resolution to ban all single use plastics due to the hazardous impact of plastic use and pollution, the college administration strictly bans the use of single use plastics in its premise to make it a 'Plastic Free Campus'
- Policy documents' regarding various waste management's had been drawn and will be implemented.
- Dry waste is being handled by Chikkamagaluru City Municipality and wet waste is being handed over to Waste food (waste garbage) produced from boys old hostel; boys new hostel and girls hostel are collected by authorized person and it is used for piggeries.
